### ForgingBridges Copay Assistance Program Terms and Conditions

The ForgingBridges Copay Assistance Program ("Program") is for eligible patients with commercial prescription insurance for Attruby. The Program, offered by BridgeBio Pharma Inc. ("BridgeBio"), the manufacturer of Attruby, is not valid for patients whose prescription claims are reimbursed, in whole or in part, by any state or federal government program, including, but not limited to, Medicaid, Medicare, Medigap, Department of Defense (DoD), Veterans Affairs (VA), TRICARE, Puerto Rico Government Insurance, or any state patient or pharmaceutical assistance program. Uninsured and cash paying patients are not eligible to enroll in the Program. To participate, a patient must be a resident of the United States, Puerto Rico, or one of the U.S. Territories. With this Program, eligible patients may pay as little as \$0 per month for their Attruby, subject to maximum benefit amounts. Certain rules and restrictions apply. Benefits under this Program may not be redeemed more than once per 28 days. Use of this Program is void where prohibited by state law. This Program is not insurance. The offer to obtain benefits from the Program may not be combined with any other coupon, free trial, discount, prescription savings card, or other offer (including, without limitation, any program offered by a third-party payer or pharmacy benefit manager, or an agent of either, that adjusts patient cost-sharing obligations). Third-party payers, pharmacy benefit managers, or the agents of either, are prohibited from assisting patients with enrolling in the Program. Any decision to enroll in the Program must be made voluntarily by the patient. This offer is not conditioned on any past, present, or future purchase, including product refills. Participating patients and their pharmacists may not seek reimbursement for all, or any part of the benefit received by the patient through this Program. Participating patients and their pharmacists may not report the receipt of Program benefits to any insurer or other third party who pays for or reimburses any part of the prescription for which Program benefits are received, as may be required by such insurer or third-party. BridgeBio reserves the right to revoke, rescind, or amend this offer without notice.
